## BULLSHEET !

### IT'S GAME ON

A solid start to season 2009, with wins to both A & A Reserve grades at Crestwood on Friday Night 24 April.

Followed by a very busy day on Saturday 25 April, with a great win to our under 6/1's at 9am and rounded off with a 40 point cakewalk by our under 17/1's at 7pm.

### ANZAC SPIRIT

Congratulations and well done to the teams who participated in the commemorative ceremony held at Crestwood on Saturday. Your behaviour did our club proud.

### NEW JERSEYS

Unfortunately we can't print instructions on the jerseys – but please do not iron the logos (actually if you are ironing a footy jersey you must be confusing it with a badminton uniform!!)

Cold wash is best and if you have to tumble dry, do so on low heat.

### BISTRO CRESTWOOD

Free range eggs, cappuccino, now fresh chicken breast, lettuce and tomato rolls – if it weren't for Parra's no booze policy, we're sure Ali would have a cold glass of chardy on the menu.

Enjoy the best breakfast, lunch or dinner in the Hills with scenic park views.

Great work Ali, Angela and crew.

### THAT COIN WON'T TOSS

For long time Bulls fans, that soft green stuff on Crestwood is called grass. A new and previously unforeseen problem has arisen at Crestwood – the toss of the coin can no longer be done in the middle of the field – as the coin stands on its edge in the lush vegetation.

Thanks to Steve Marks (Marksie), his mates at Baulkham Hills Council, and several grand from club funds.
