BULLSHEET !

MIGHTY 8/1's CHAMPIONS

Congratulations to the under 8/1's for winning the Jimmy Locke Trophy knockout comp on Sunday, 5 July. The Bulls were successful in beating a strong field of teams - not just from the Parramatta District.

Undefeated in 6 games, including, smashing Eaglevale 42-18 in the final, it was a long and exhausting day for the boys. The determined Bull's spirit was there in every game.

Well done boys & coaching staff.

DON'T SAY F#@K

The referees have been told to crack down on bad language - **four letters can get you four weeks** - so please put brain into gear before opening mouth.

FIRST AID

At every junior league ground a qualified first aid officer is present. The first aid person can overrule anyone - even the referee. An injured player may not resume playing unless the first aid officer has approved. NO IFS NO BUTS

1 on1 PERSONAL TRAINING

SUPPORTERS

"We are not playing for sheep stations"

"It's only a game"

"Winning isn't everything"

Please remember these clichés and the code of conduct. Your attitude & mouth affects every member of our club whether you are at home or away games.

GROUND RULES

A ground manager is required at every game. These volunteers are not some wannabe playing Hitler. They're just ordinary club members, whose job is made tough by misbehaviour. If you get asked to do (or NOT do) something by a ground manager - please save everyone the aggro, and just do it.
